

Quality Education Investment Act

QEIA Regular and Alternative Funded Schools: Must exceed average schoolwide API growth targets over the first three years. Beginning in the fifth year, regular funded schools shall meet their annual API growth targets and alternative funded schools, must exceed their API growth targets. If the school fails to meet API growth requirements, the school shall continue to receive funding pursuant to this article, but shall be subject to state review, assistance, and timeline requirements pursuant to the HPSGP under Section 52055.650. The school site administrator shall not automatically be reassigned based solely on that failure. Ed. Code 52055.74 (5)
